

## Presentation Preparation

**Section 1: Practice playing your game so you're ready to present it to your family and friends.**

**Section 2: Answer these questions below to include in your presentation.**

- A.** Discuss the process of creating your video game.
  
  
  
  
  
  
  
  
  
  
- B.** Name some challenges you faced while creating your video game.
  
  
  
  
  
  
  
  
  
  
- C.** What was the best part about creating your video game?
  
  
  
  
  
  
  
  
  
  
- D.** Name 3 things you've learned from this class.

## Presentation Format

**You:** “Family, friends, and guests, hello and welcome to the WOW for our video game design apprenticeship. My name is \_\_\_\_\_ and today I’m going to show you the game I made. \_\_\_\_\_ (name) during the last 10 weeks in this class. It’s called \_\_\_\_\_ and I hope you enjoy it.” (name of your video game)

### Do Section 1.

Discuss the answers from **Section 2**, questions A through D. Make sure to phrase it like “some things I’ve learned from this class are \_\_\_\_\_” and “\_\_\_\_\_ was really a challenge when I made my game”. Use the empty space on this page to write out your thoughts if you need it.

**You:** “Thank you all so much for coming. I hoped you enjoyed my presentation. Are there any questions about my project?”
